RELEASE SCHEDULE FOR THE KANSAS CITY FINANCIAL STRESS INDEX

The Federal Reserve Bank of Kansas City began a monthly release of the Kansas City Financial Stress Index (KCFSI) in August 2009. The index is a monthly measure of stress in the U.S. financial system based on 11 market variables.

The release schedule for 2024 is as follows:

Reference Period	Release Date
December 2023	Wednesday, Jan 10, 2024
January 2024	Friday, Feb 9, 2024
February	Monday, Mar 11
March	Wednesday, Apr 10
April	Thursday, May 9
May	Wednesday, Jun 12
June	Wednesday, Jul 10
July	Friday, Aug 9
August	Wednesday, Sept 11
September	Wednesday, Oct 9
October	Tuesday, Nov 12
November	Wednesday, Dec 11
December	Friday, Jan 10, 2025

Note that the release will be posted at noon, CT on the Federal Reserve Bank of Kansas City's website at www.kansascityfed.org.

As the regional headquarters of the nation's central bank, the Federal Reserve Bank of Kansas City and its Branches in Denver, Oklahoma City and Omaha participate in setting the nation's monetary policy, supervise and regulate banks and bank holding companies, and provide financial services to depository institutions. The Bank serves the Tenth Federal Reserve District: Colorado, Kansas, Oklahoma, Nebraska, Wyoming, northern New Mexico and western Missouri.
