RELEASE SCHEDULE FOR THE KANSAS CITY FINANCIAL STRESS INDEX

The Federal Reserve Bank of Kansas City began a monthly release of the Kansas City Financial Stress Index (KCFSI) in August 2009. The index is a monthly measure of stress in the U.S. financial system based on 11 market variables.

The release schedule for 2023 is as follows:

Reference Period	Release Date
December 2022	Tuesday, Jan 10, 2023
January 2023	Thursday, Feb 9, 2023
February	Thursday, Mar 9
March	Tuesday, Apr 11
April	Tuesday, May 9
May	Friday, Jun 9
June	Wednesday, Jul 12
July	Wednesday, Aug 9
August	Tuesday, Sept 12
September	Wednesday, Oct 11
October	Thursday, Nov 9
November	Monday, Dec 11
December	Tuesday, Jan 9, 2024

Note that the release will be posted at noon, CT on the Federal Reserve Bank of Kansas City's website at www.kansascityfed.org.

As the regional headquarters of the nation's central bank, the Federal Reserve Bank of Kansas City and its Branches in Denver, Oklahoma City and Omaha participate in setting the nation's monetary policy, supervise and regulate banks and bank holding companies, and provide financial services to depository institutions. The Bank serves the Tenth Federal Reserve District: Colorado, Kansas, Oklahoma, Nebraska, Wyoming, northern New Mexico and western Missouri.
