

# Economic Resilience Amid Heavy Crosswinds

August 22, 2025

Nate Kauffman, Omaha Branch Executive

Denver / Oklahoma City / Omaha

The views expressed here are those of the speaker and do not necessarily reflect the opinions of the Federal Reserve Bank of Kansas City or the Federal Reserve System.

# Economic Outlook Themes

- Economic growth has been resilient despite a variety of potential risks and uncertainties.
- Nebraska's economy has also remained steady, with the exception of weaker conditions in agriculture.
- The job market has cooled somewhat, but unemployment remains low and inflation has also eased in recent months.

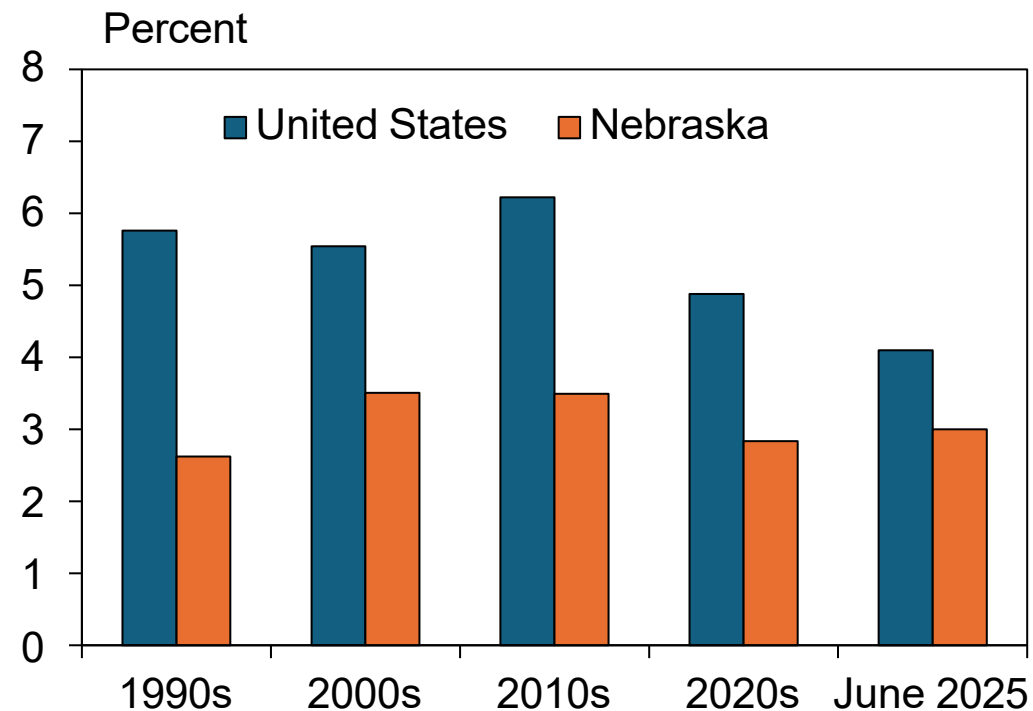

# Economic growth has been resilient despite a recent slowdown and significant uncertainty.

## U.S. Real GDP Growth

# Unemployment remains low and inflation has declined from recent highs.

## Unemployment Rate

## Inflation

# Interest rates have moved lower over the past year but remain elevated alongside the Fed's dual mandate.

## Interest Rates
