## FR Y Reporting Series Matrix 2020

\*A top-tier holding company or savings & loan holding company that reaches \$3 billion or more in total consolidated assets as of June 30 of the preceding year must begin reporting the FR Y-9C and the FR Y-9LP in March of the current year, and any lower-tier bank holding companies or savings & loan holding companies must begin reporting the FR Y-9LP in March of the current year. If a top-tier bank holding company or savings & loan holding company reaches \$3 billion or more in total consolidated assets due to a business combination, then the bank holding company or savings & loan holding company must begin reporting the FR Y-9C and the FR Y-9LP with the first quarterly report date following the effective date of the business combination, and any lower-tier bank holding companies or savings & loan holding companies must begin reporting the FR Y-9LP with the first quarterly report date following the effective date of the business combination.

\*\*The holding company must submit separate financial statements for each nonbank subsidiary (including nonbank subsidiaries of nonbank subsidiaries) that meets the requirements. If the holding company elects to file multiple financial statements under one signature, the holding company must submit one signed cover page per type of report, the FR Y-11 quarterly, the FR Y-11 annual, or the FR Y-11S. For more information on submitting multiple reports under one signature, please refer to the Federal Reserve Board website.
