RELEASE SCHEDULE FOR THE KANSAS CITY FINANCIAL STRESS INDEX

The Federal Reserve Bank of Kansas City began a monthly release of the Kansas City Financial Stress Index (KCFSI) in August 2009. The index is a monthly measure of stress in the U.S. financial system based on 11 market variables.

The release schedule for 2020 is as follows:

Reference Period	Release Date
December 2019	Tuesday, Jan 14, 2020
January 2020	Tuesday, Feb 11, 2020
February	Tuesday, Mar 10
March	Thursday, Apr 9
April	Monday, May 11
May	Tuesday, Jun 9
June	Thursday, Jul 9
July	Tuesday, Aug 11
August	Wednesday, Sept 9
September	Friday, Oct 9
October	Tuesday, Nov 10
November	Wednesday, Dec 9
December	Monday, Jan 11, 2021

Note that the release will be posted at noon, CT on the Federal Reserve Bank of Kansas City's website at www.kansascityfed.org.

As the regional headquarters of the nation's central bank, the Federal Reserve Bank of Kansas City and its Branches in Denver, Oklahoma City and Omaha participate in setting the nation's monetary policy, supervise and regulate banks and bank holding companies, and provide financial services to depository institutions. The Bank serves the Tenth Federal Reserve District: Colorado, Kansas, Oklahoma, Nebraska, Wyoming, northern New Mexico and western Missouri.
