

**Steve Lockard** became chairman of TPI Composites in 2020 after becoming chief executive officer in 2004. Mr. Lockard joined TPI in 1999 and led the company's initial public offering in 2016. He also chairs TPI's Technology Committee.

Mr. Lockard is chairman of the board of Keystone Tower Systems, a manufacturer of wind turbine towers, and an operating partner with Angeleno Group, an equity investment firm for next generation clean energy and natural resources companies. He is a former board member and past chairman of the American Wind Energy Association, now the American Clean Power Association.
