

Stephanie Ziadeh

Manager in the Surveillance and Risk Analysis (SRA) Department at the Federal Reserve Bank of Kansas City. Stephanie joined the Federal Reserve Bank of Kansas City in 2015 and served as a risk specialist for seven years with the SRA team before transitioning into management over this area in early 2022. Stephanie holds a B.S. degree in Business Administration from DeVry University. Prior to joining the Bank, Stephanie was a safety and soundness examiner at the Kansas State Banking Department and has held various positions at an accounting firm and two local banking organizations.

Ross Crouch

Senior Examiner and Certified Public Accountant in the Supervision and Risk Management Division at the Federal Reserve Bank of Kansas City. Ross joined the Federal Reserve Bank of Kansas City in 2006 and has served as a field examiner for 16 years, focusing primarily on community bank supervision. Ross also serves as co-chair of the Federal Reserve System's Accounting Communication Network's CECL accounting workgroup. Ross holds a B.S. degree in Accounting and Corporate Finance from Northwest Missouri State University, Maryville, Missouri.

Drew Kelley

Manager in the Examinations and Inspections Department at the Federal Reserve Bank of Kansas City. Drew joined the Reserve Bank in 2011 and served as a field examiner for eight years. In 2019, Drew was promoted to manager with responsibility for the supervision of community banking organizations and holding companies. He currently serves as manager over information technology and cybersecurity supervision. Drew holds a B.S. degree in Business Administration with an emphasis in management, and an M.B.A degree with an emphasis in Finance from the University of Missouri, Columbia, Missouri.

Judith Hazen

Vice President in the Supervision and Risk Management Division at the Federal Reserve Bank of Kansas City. Judith joined the Federal Reserve Bank of St. Louis in 1999 in the Research Division before joining the Bank's Denver branch as an examiner in 2004. She has held several roles within Supervision and relocated to Kansas City in 2015. Judith was promoted to Vice President in 2020 and currently oversees the Kansas City Fed's applications and enforcement, fintech, surveillance and risk analysis, support solutions, and credit, reserves, and risk management functions. Judith holds a B.A. degree in Economics from Colorado State University and is a graduate of the Graduate School of Banking, Boulder, Colorado.
