

**Cachavious “Chay” English**, currently serves as a Policy Strategist and Managing Counsel for Ford Motor Company with a primary focus on policies related to trade, supply chain resiliency, critical minerals, ESG, tax and economic incentives. Most recently he served as a Vice President at BGR Group, a premier DC lobbying firm, where he focused his work on similar issues. Chay joined the private sector after nearly a decade of working and advocating on Capitol Hill for bipartisan solutions and legislation that promoted economic development, social equity and innovation.
