## **FEDERAL RESERVE BANK OF KANSAS CITY ANNOUNCES PROMOTIONS**

The following promotions were recently announced by Thomas M. Hoenig, president of the Federal Reserve Bank of Kansas City:

**Troy Davig** was appointed assistant vice president and economist. He joined the Bank in 2005 as an economist and was promoted to senior economist in 2006. He holds a B.A. in economics from the University of Colorado and a Ph.D. in economics from Indiana University.

**Robert Hampton** was appointed assistant vice president. He joined the Bank in 1989 as a research associate and held various positions in the Economic Research Department before assuming a manager position in 1995. He was named staff manager in 2005. He holds B.S. and M.S. degrees in economics from Kansas State University.

**Todd Offenbacher** was appointed assistant vice president. He joined the Bank in 1985 as an assistant examiner trainee in the Applications Department. Before assuming a manager role in the Examinations and Inspections Department, he held various examiner and policy economist staff positions in the Applications and Banking Studies and Structure departments. He holds B.S. degrees in finance and accounting from Northwest Missouri State University.

**Jonathan Wills** was appointed assistant vice president and economist. He joined the Bank in 2000 as an economist and was promoted to senior economist in 2004. In 2004-05, he served as a visiting assistant professor at the University of Texas. He holds a B.A. degree in economics from Grinnell College and a Ph.D. in economics from Boston University.

The Federal Reserve Bank of Kansas City and its branches in Denver, Oklahoma City and Omaha serve the Tenth Federal Reserve District: Colorado, Kansas, Nebraska, Oklahoma, Wyoming, northern New Mexico and the western third of Missouri.
