

State Banking and the Dawn of the U.S. Economy

by: Timothy Todd

December 11, 2020

Read about the first U.S. financial institutions in this book from the Kansas City Fed.

Deeply rooted in U.S. history

Today's community banks trace their lineage to the founding days of the United States. Read about the first U.S. financial institutions in the new book *State Banking and the Dawn of the U.S. Economy* written by Kansas City Fed Historian Tim Todd.
