Tenth District Services Activity Continued to Grow Moderately

By Chad Wilkerson

November 19, 2021

Regional services activity continued to expand. The pace of employment growth has eased, but 53% of firms reported they were already at or above pre-coronavirus employment levels. A record number of firms also reported increasing wages and benefits from a month ago.

Tenth District Services Activity Growth Continued at a Moderate Pace

By Chad Wilkerson

October 29, 2021

Regional services activity grew in October. Many firms continued to report supply chain issues, and a significant share of business contacts reported raising prices as a result of delivery time delays, transportation costs, and stronger demand for goods and services.
