

Small business owners, take 12 minutes to describe your past year

September 11, 2023

Owners and key financial decisionmakers of for-profit businesses, share your recent experiences. How would you rate the financial condition of your business? Did your business seek financing such as loans or lines of credit in the last 12 months?

Within the past 12 months, did your business sustain losses from a natural disaster?

The Federal Reserve's 2023 Small Business Credit Survey is open for responses. By taking the survey, you contribute to data that directly informs the Fed, federal government agencies, service providers, policymakers, and others—ultimately benefitting your business and other businesses like yours. [Take the 12-minute survey now.](#)

The survey is open to businesses currently in operation, those recently closed, and those about to launch. All responses are confidential.

The survey closes November 17, 2023. Questions? Contact Aaliyah Price at aaliyah.price@atl.frb.org.
