

Jackson Hole Economic Policy Symposium

The Changing Policy Landscape

January 20, 2021

The Federal Reserve Bank of Kansas City hosted more than 100 central bankers, policymakers, academics and economists from around the world at its annual economic policy symposium Aug. 30 - Sept. 1, 2012 in Jackson Hole, Wy.

Speakers included Federal Reserve Chairman Ben Bernanke, Bank for International Settlements General Manager Jaime Caruana, Kansas City Fed President Esther George, as well as professors and central bank governors.

To learn about the symposium's history read [In Late August](#).
