

Tenth District Economic Databooks 2019

January 29, 2021

The Kansas City Fed's monthly economic databooks provide summaries of regional and national economic indicators for the Tenth Federal Reserve District states including Colorado, Kansas, Missouri, Nebraska, New Mexico, Oklahoma, and Wyoming.

The databooks provide economic indicators to help monitor trends and allow comparison of past information. These indicators include: Gross Domestic Product (GDP); inflation; employment; employment by industry; county and state unemployment; personal income; home prices; housing indicators; manufacturing; oil, gas and coal production; agriculture; and exports.
