

2020 Energy Conference: Navigating the Changing Energy Landscape

February 16, 2021

The Federal Reserve Banks of Dallas and Kansas City hosted their fifth joint energy conference virtually on November 20.

The Energy Conference, Navigating the Changing Energy Landscape, focused on the outlook for the global crude oil market, opportunities and risks of the global energy transition, energy finance and more.

Featured Speakers:

- Esther George, Federal Reserve Bank of Kansas City
- Robert S. Kaplan, Federal Reserve Bank of Dallas
- Dean Foreman, American Petroleum Institute
- Robert McNally, Rapidan Energy
- Kathryn Miller, BTU Analytics
- Tim Fitzgibbon, McKinsey and Co.
- Logan Goldie-Scot, BloombergNEF
- Peggy Simmons, Public Service Company of Oklahoma
- Chris Holmgren, Wells Fargo
- Ryan Omohundro, Alvarez & Marsal
- Jigar Shah, Generate Capital
- Rick Muncrief, WPX Energy
- Cindy Taylor, Oil States International
- Paula Gold-Williams, CPS Energy
