

Board of Directors Meeting Minutes

January 30, 2025

The Kansas City Fed's head office Board of Directors meets 8 times each year to provide their expertise and geographic perspective on the Tenth District's economy. This archive contains past meeting minutes beginning in January 2024.

The Federal Reserve Bank of Kansas City releases minutes of its Board of Directors meetings with a minimum of a six-month lag.

Starting in 2025, documents will be posted on a biannual basis. Redactions to the documents are limited to information that falls under an exemption specified in the Bank's [Transparency and Accountability Policy](#).
