

Tenth District Economic Databooks 2025

May 27, 2025

The Kansas City Fed's quarterly economic databooks provide summaries of regional and national economic indicators for the Tenth Federal Reserve District.

This databook provides current economic indicators to help monitor trends and allow comparison of past information. These indicators include employment; employment by industry; county and state unemployment; demographics; personal income; home prices; housing indicators; manufacturing activity; and oil, gas and coal production.
