¹Professionals include analysts, economists, examiners, and IT professionals.

Note: Numbers may not add due to rounding. Information reflects EEO-1 data as defined by the Equal Employment Opportunity Commission (EEOC). The data is as of August 31, 2016, in order to match our submitted annual EEO-1 report to the EEOC. The report is primarily based on employee self-identification. Per EEOC guidance, if race or ethnic information is not self-reported, observer identification may be used.
