Revised Interagency Large Institution CRA Examination Procedures and Consolidation of
Interagency CRA Examination Procedures and Supporting Materials

To the Chief Executive Officer of Each Tenth District State Member Bank:

On April 18, 2014, the Board of Governors of the Federal Reserve System (Board), the Federal Deposit Insurance Corporation, and the Office of the Comptroller of the Currency (the Agencies) issued revised interagency Large Institution Community Reinvestment Act (CRA) examination procedures. The revised examination procedures reflect, and are consistent with, the recently updated “*Interagency Questions and Answers Regarding Community Reinvestment*” (Interagency Qs and As). The revisions focus on the consideration of community development activities that benefit a broader statewide or regional area that includes an institution’s assessment area(s) and investments in nationwide funds in the evaluation of CRA performance, assigning ratings, and developing public performance evaluations.

A copy of CA 14-2 is available on the Federal Reserve Board of Governors' web site at <http://www.federalreserve.gov/bankinfo/reg/caletters/caltr1402.htm>. **TO THE OFFICERS AND MANAGERS IN CHARGE OF CONSUMER AFFAIRS
SECTIONS:**

**SUBJECT: Revised Interagency Large Institution CRA Examination Procedures and
Consolidation of Interagency CRA Examination Procedures and Supporting Materials**

Applicability to Community Banking Organizations: This guidance applies to all state member banks, including those with \$10 billion or less in consolidated assets.

The Federal Reserve, the Federal Deposit Insurance Corporation, and the Office of the Comptroller of the Currency (the "Agencies") recently approved the attached interagency Large Institution Community Reinvestment Act (CRA) examination procedures. The revised examination procedures explain how community development activities that benefit a broader statewide or regional area that includes an institution's assessment area(s) and investments in nationwide funds will be considered when evaluating an institution's CRA performance, assigning ratings, and developing public performance evaluations. The revised interagency Large Institution CRA examination procedures supersede the interagency Large Institution CRA examination procedures transmitted with CA Letter 06-9.

The revised examination procedures reflect, and are consistent with, the recently updated "Interagency Questions and Answers Regarding Community Reinvestment" (the "Questions and Answers"), which provides guidance for use by agency personnel, financial institutions, and the public. The Agencies updated the Questions and Answers on November 15, 2013 to address several community development issues.¹

Additionally, this CA letter republishes, without change, the interagency Small Institution CRA examination procedures, the interagency Intermediate Small Institution CRA examination procedures, the interagency Wholesale/Limited Purpose CRA examination procedures, the interagency Strategic Plan CRA examination procedures, the Instructions for Writing Public Evaluations, and the FFIEC Community Contact Form, which were all previously transmitted with CA Letter 06-9.

¹ Refer to CA letter 13-18, "Final Revisions to Interagency Questions and Answers Regarding Community Reinvestment."
