

Bouke Buitenkamp

*Overseer Retail Payments, Oversight Department,
De Nederlandsche Bank*

Mr. Buitenkamp is overseer on interbank and retail payment systems and products at De Nederlandsche Bank. From 2006 to 2008, he worked at the European Commission, Directorate General for Economic and Financial Affairs where he produced economic forecasts for the Dutch economy and assessed compliance with the Stability and Growth Pact. He started working as a policy official at De Nederlandsche Bank in 1998. There he advised the board of directors about international cyclical and price developments and monetary policy decisions.
