DERRELL S. PEEL

Charles Breedlove Professor of Agribusiness, Agricultural Economics Department, Oklahoma State University

Derrell Peel is the Charles Breedlove Professor of Agribusiness in the Department of Agricultural Economics at Oklahoma State University. He has served as the extension livestock marketing specialist since joining Oklahoma State University in 1989. He previously was the superintendent of the Southeastern Colorado Range Research Station in Springfield, Colo. His main program areas at Oklahoma State University include livestock market outlook and marketing/risk management education for livestock producers.

Mr. Peel also works in the area of international livestock and meat trade with particular focus on Mexico and Canada and the North American livestock and meat industry. He lived in Mexico on sabbatical in 2001 and has developed an extensive knowledge of the Mexican cattle and beef industry and the economics of cattle and beef trade between the United States and Mexico.

Mr. Peel has Bachelor of Science and Master of Science degrees from Montana State University and a doctorate from the University of Illinois.
