FOR YOU AND YOUR FAMILY:  
PRE-DISASTER FINANCIAL CHECKLIST

Be prepared for when disasters strike. The Federal Reserve Bank of Kansas City has developed this quick checklist to help you gather your important financial information:

- Complete the Federal Reserve Financial Form
- Understand current insurance policies and reassess annually
- Complete an inventory of your property and contents
- Have a relationship with your bank
- Develop an emergency financial fund to cover insurance deductibles and short term costs

Visit [www.kansascityfed.org/planprepareprevail](http://www.kansascityfed.org/planprepareprevail) to find links and resources to help you be financially prepared for a disaster.

“At every disaster, I always hear, ‘I never thought it could happen here or to me.’”

-FEMA liaison
