other four-
lane roads.**

E. Avenue N Hutchinson, KS they did it!

Social Determinants of Health

KHF Strategic Framework

The Kansas Health Foundation envisions a culture in which every Kansan can make healthy choices where they live, work, and play.

Reduce health disparities related to social and economic factors (health equity)

Social Determinants of Health

Prevention

Access to Care

Engage Kansans to improve the health of our state (civic health)

Actionable Data

Media and Journalism

Leadership and Capacity Building

We accomplish our vision through grantmaking, policy advocacy, and strategic communication.
