## **KANSAS CITY FED ANNOUNCES OFFICER APPOINTMENT**

The following officer appointment was recently announced by Esther George, president and chief executive officer of the Federal Reserve Bank of Kansas City:

**Dan Bower** has been appointed assistant vice president in the Technology Solutions Delivery Division where he will lead many of the Bank's initiatives in application deployment and middleware services, database administration, change management, application and systems architecture and customer relationship management. Bower joined the Bank's Check Automation Services Department in 2007 and has held several leadership positions within the department. He holds a bachelor's degree in business management from Newman University and an MBA with an emphasis on marketing from Baker University.

As the regional headquarters of the nation's central bank, the Federal Reserve Bank of Kansas City and its branches in Denver, Oklahoma City and Omaha serve the seven states of the Tenth Federal Reserve District: Colorado, Kansas, Nebraska, Oklahoma, Wyoming, northern New Mexico and western Missouri.
