KANSAS CITY FED ANNOUNCES OFFICER PROMOTIONS AND APPOINTMENT

The following officer promotions and appointment were recently announced by Esther George, president and chief executive officer of the Federal Reserve Bank of Kansas City:

Brian Faros has been named vice president and chief information officer with responsibility for the Bank's Application Delivery Services area. He joined the Bank's Treasury Application Development function in 2009 and was named assistant vice president in 2010. In 2012, he was named vice president with responsibility for the Bank's payments-related development initiatives. He holds a bachelor's degree in electrical engineering and computer engineering from the University of Missouri-Columbia.

Richard Henry has been named vice president in the Bank's Technology Solutions Delivery function with responsibility for information management services. He joined the Bank's Application Delivery Services area in 2009 and was named assistant vice president in 2011. He holds a bachelor's degree in computer science and computer engineering from Washington University in St. Louis.

Andy Frank has been named vice president in Technology Services Delivery with new responsibilities for delivery oversight of the Bank's payments applications. He joined the Bank's Application Delivery Services area in 2010 and was named assistant vice president in 2012 with responsibility for a broad range of application development and support portfolios. He holds a bachelor's of business administration and an MBA from the University of Missouri-Kansas City.

John Arensberg has been appointed assistant vice president with responsibility for a broad range of information management initiatives within the Bank's Treasury portfolio. He joined the Bank's Application Delivery Services function in 2011 and holds a bachelor's degree in management information systems from Friends University.

As the regional headquarters of the nation's central bank, the Federal Reserve Bank of Kansas City and its branches in Denver, Oklahoma City and Omaha serve the seven states of the Tenth Federal Reserve District: Colorado, Kansas, Nebraska, Oklahoma, Wyoming, northern New Mexico and western Missouri.
