¿HABLAS ESPAÑOL?
FEDERAL RESERVE BANK OF KANSAS CITY TOOL NOW AVAILABLE IN SPANISH FOR
FAMILIES AND SMALL BUSINESSES TO PREPARE FOR DISASTERS

The Kansas City Fed's *Plan. Prepare. Prevail.* program makes it convenient for individuals, families and small business owners to learn about the financial documents and records they need to have available in case of an emergency situation. Several of the materials are available in Spanish on the website www.KansasCityFed.org/planprepareprevail. This includes the personal and small business financial inventory forms and the quick checklists to identify and organize key financial records.

“Disaster strikes members of our community each and everyday. The goal of *Plan. Prepare. Prevail.* is to assist families and small business owners in preparing a record of their financial documents before disaster strikes,” said Ariel Cisneros, senior adviser at the Federal Reserve Bank of Kansas City’s Community Development department. “Now it is available for the Spanish-speaking community.”

As the regional headquarters of the nation’s central bank, the Federal Reserve Bank of Kansas City, along with its Branch offices in Denver, Oklahoma City and Omaha, participates in each of the Federal Reserve’s three mission areas of monetary policy, banking supervision and financial services. The Bank serves the Tenth Federal Reserve District, a region that includes western Missouri, Nebraska, Kansas, Oklahoma, Wyoming, Colorado and northern New Mexico.
